LIVING FOR 32

Showing at OMNI Center
July 14 - 7:00 pm

American gun violence at its worst. A survivors story from Virginia Tech that continues to reverberate through Sandy Hook Elementary, and the 32 victims of gun violence that happen every day. It will end only when we demand it. **Arkansas legislators** are in the eye of this storm, and their constituents hold the key to their votes. **Survivor Colin Goddard** will skype in after this showing to answer your questions and discuss our role in coming gun safety legislation. Please join us.
